## WHO WE ARE

A 501c3 nonprofit that **improves the lives of disadvantaged children** by helping them overcome physical and developmental barriers through affordable outpatient therapy.

## OUR VISION

We believe that **every child deserves the chance to shine**, no matter their background or zip code.

## WHY IT MATTERS

Children with delays, disabilities or injuries face **difficulties accessing care due to cost, scarcity of providers, or space in existing programs**. Without timely therapy, delays in walking, difficulty speaking, or injury recovery can **drastically affect a child's life**.

## OUR IMPACT

- We fill a critical care gap, offering evaluations and treatment Monday through Thursday in our Elizabeth, New Jersey, clinic.
- Since 2023, we have provided nearly 3,000 therapy sessions to children in need, 90% of whom rely on Medicaid.
- We emphasize early intervention with 30% of our patients under age three, reducing future chronic issues.
- 100+ children per year are on a path to better health and improved quality of life – whether that's speaking, writing, walking, or eating.

## YOUR SUPPORT

This fall we're inviting you to be part of something powerful – a fundraising celebration of hope. TheraYouth's Nostalgic Nightmares Halloween fundraiser is an opportunity to invest in the health of New Jersey's youth. Your sponsorship supports efforts that move kids from our 200-child waiting list into treatment.

Disabilities and delays aren't just statistics, they are a daily reality for more than 17,000 families in New Jersey.
